don't see one, paid
found office Feb?

| | |
|------------|-----------------|
| Cost Canal | £100 m x 3yrs. |
| lock DC | £6,250 |
| Conduits | £6,250 |
| Appd | £12,500 |
| waterflow | £20,000 |
| rs | £25,000 |
| | <u>£100,000</u> |

Price's that £1,500 x 2
But a price that £1,500.

Building - better building,
etc etc etc, great,
All concrete, £1,000 each
2.0 by £1,000 + building

This is one temperature gauge that nurse Penny Rees is quite happy to see rising! Penny, who works at Glangwili Hospital, is secretary of St Dogmael's Memorial Hall Appeal Fund, and the appeal fund thermometer makes for healthier reading here after a £1,000 donation from the village regatta committee took the fund to the £13,000 mark. Regatta officials Janet Thomas and Mawen Brown handed over the contribution.

Mr B. V. Rees lays the plaque at the new extension to St. Dogmael's Memorial Hall watched by Brian Jones, development officer for Menter Wiedig Bro Presall; Cllr J. B. Evans, representing Cyngor Dosbarth Ceredigion; Cllr Halket Jones, Presall District Council; Mr Steven Lewis, sponsor for the project at the Pibwrlwyd Education Office; Mrs Rees, and representatives of local organisations.
